---

THIS MATTER is before the Court pursuant to the Government's Motion for Final Determination of Restitution (Document 24). For good cause shown, the Motion is GRANTED.

Defendant entered a guilty plea to a one-count Bill of Information charging him with stealing firearms from a licensed dealer in violation of Title 18, United States Code, Section 924(m). The Defendant did so pursuant to a written plea agreement in which he agreed to pay "full restitution, regardless of the resulting loss amount, to all victims directly or indirectly harmed...." On February 10, 2020, following Defendant's sentencing hearing, this Court entered a written judgment that provided for partial restitution of \$6,286.28 but held open the final determination of restitution to allow the victim to supplement the loss amount.

The Court FINDS based on the Motion and the record that the United States has established restitution loss by a preponderance of the evidence for purposes of 18 U.S.C. § 3663A.

THEREFORE, this Court respectfully ORDERS the Clerk of Court to submit an Amended Judgment against Defendant providing for restitution in the total amount of \$22,138.60 to be distributed to victim Point Blank Range Mooresville, LLC.

Signed: May 27, 2020
